The expert panel will contribute to the TALANOA as follows:

- Identify a relevant and specific MEA to the Hub (e.g., Pacific Hub – Noumea and Waigani Conventions).
- Provide a case study on how women, youth and communities from respective regional hubs contribute to the implementation of the specific MEA identified.
- The challenges encountered by women, youth and communities.
- The outcomes of the involvement or contribution to national and regional policy framework.
- How these contributions or outcomes integrate to regional collaboration.

Panel of Speakers:

- United Nations Environment Programme (UNEP) ACP MEAs Project.
- Secretariat of the Cartagena Convention and the Caribbean Community (CARICOM) Secretariat.
- Secretariat of the Nairobi Convention.
- Secretariat of the Noumea Convention.
